Past- President

ADMINISTRATION

Madame Prime Minister,

It has been a few weeks since we left the enjoyable Island of Saint-Martin/
St.Maarten. However, we brought with us the souvenir of a great convention.

It is, indeed, with great admiration and deep-rooted satisfaction that I want to express my heartfelt gratitude for the remarkable hospitality professed towards all the participants at this memorable 40th Anniversary of the AMHE Convention. Your sense of hospitality, Madame Prime Minister, felt since our arrival at the airport until our departure from the country is unparalleled.

The great gesture of your government as a whole, that includes the transportation services , the Monday night reception, the cultural show, your moving speech, the beats of the band, and last not least, your gifts to all the participants, are marks of excellence in your leadership style. The AMHE will cherish that for years to come.

On behalf of the President of the Central Executive Committee of the AMHE, Dr Maxime Coles, also the President of the organizing chapter, Dr Micheline Dole and all the attendees of this great Convention, I want to convey our thankful appreciation to your personal attention, Madame Prime Minister and extend it to the dedicated members of your government who have clearly given a special meaning to the term "hospitality".

May God continue to bless the Island of St.Maarten!

Respectfully,

Joseph Pierre-Paul Cadet, MD, MBA, FACFEI
Immediate Past-President
Central Executive Committee
Association of Haitian Physicians Abroad
Association des Médecins Haitiens à l' Etranger (AMHE).
